

Adobe Creative Cloud sync tool
2D Design / Murphy
Fall 2020

Adobe Creative Cloud sync tool is your remote access to Photoshop for 2D Design class. Students should login to Adobe, and use their Lehigh userid and password.

Here are the instructions. The students shouldn't get the Duo Dual Factor Authentication prompt.

If you are new to Adobe Creative Cloud - start with these installation instructions:

Creative Cloud Installation Instructions:

<https://go.lehigh.edu/adobeinstall>

If you are signed into a different account or a trial, you need to sign out before signing in to obtain a Lehigh's license:

Sign Out with Creative Cloud:

<https://go.lehigh.edu/adobesignout>

Use these steps if you already have the Creative Cloud Desktop application installed:

Sign In with Creative Cloud:

<https://go.lehigh.edu/adobesignin>
